

Subject: Fw: Planning Application APP/21/00069 16 Lovedean Lane, Waterloooville, PO8 8HH

Hello Lesley

APP/21/00069 16 Lovedean Lane, Waterloooville, PO8 8HH

The submitted arboricultural information for this development is comprehensive and to a high professional standard considering the tree constraints presented for the site.

As long as the AMS and TPP (to include a pre commencement site meeting and regular arboricultural surevision) are adhered to then my view is that the trees will unlikely to be impacted on to a degree whereby their health or public amenity value will be negatively affected.

If permission is given it is vital that the AMS and TPP are conditioned fully.

No objection.

Thanks

J

Notes for Consultees using Consultee In Tray on Public Access

You will be able to access the full range of services on Public Access by using the Consultee In Tray which can be found under the My Profile tab.

Consultee Access allows you to see documentation that is not in the public domain (usually our pre-application enquiries) and saves your previous consultation responses.

If you have not yet registered your details on the website, please follow the instructions online and then email planning.development@havant.gov.uk to allow us to activate your consultee access and if you are experiencing problems with your access please let us know.

We can provide a User Guide on request.
