Dear Sir/Madam

**Re: Town & Country Planning – 125 New Brighton Road, PO10 7QS
OBJECTION**

We would register our objection to the proposed variation of Condition 3 of the previous Planning Permission reference 95/59718.

We object on the grounds of the additional noise that will be generated on the proposed two Saturdays each year.

The pre-school children can already play outdoors between 10:00 & 12:00 and 13:15 and 15:15 each weekday, which we accept. However; they make a considerable amount of noise, including some high-pitched screaming, in the play areas adjacent to our rear garden.

Frequently, we have to return indoors until the noise abates when the children return into the centre.

We are aware that local primary schools manage open mornings and/or afternoons with information sessions for prospective parents **without** resorting to weekend opening.

We value the amenity of our rear garden and the relative peace at weekends and Bank Holidays.

Yours faithfully,

C J & E H Fuller
