Dear Miss. Donophy,
Ref. APP/20/00397.

Thank you for details of the proposed changes to property at 80A Havant Rd. Emsworth. I have studied the enclosed planning considerations form, and taken advice on this matter. The house concerned is in direct line with my property, and recently I had to install a fence of some five panels due to the deterioration of trees forming a barrier between the two properties.

I am concerned that adding to the upper storey will give access to viewing into my garden. I have a small patio area and seating in the adjoining corner and would wish to continue to use this without being overlooked in any way.

Should the aforementioned trees have to be removed, then viewing through to my property would be unacceptable. Perhaps after nearly 30 years at the Barn Close address I should accept changes!, but would like the Planning Committee to know how important a reasonably quiet life is!!.

Yours sincerely,
