Dear Mrs Pickup,

Many thanks for your letter of 7th August regarding the planning application ref APP/23/00435 outlining the proposed changes to the windows at 7 Wittering Road.

As previously mentioned [REDACTED] we have absolutely no issues with the current window layout and arrangements. I have visited the property at various stages of build and can confirm that our privacy has not been compromised in any way not are we overlooked anymore than from other neighbouring properties. I believe that the changes proposed are not necessary.

Should you wish to discuss this further with me please contact me [REDACTED]

I look forward to receiving confirmation of a change in your decision.

Many thanks and regards
