Dear Mrs Ware

Ref 37 Keats Close, PO8 8LA

I am writing this letter in support of my planning application for the above address.

The application is for retrospective planning permission for the wooden storage shed which is for the sole purpose of storing [REDACTED] mobility scooter, power assisted electric bicycle and wheelchair in the front garden of his property. There is electricity provided in the shed, also for the sole purpose of keeping his mobility scooter charged.

[REDACTED]

Further to your letter informing us that we needed to apply for planning permission, we would be happy to stain the shed as considered appropriate by the planning department, [REDACTED]

[REDACTED]
[REDACTED] We look forward to an early meeting with the relevant planning officer to discuss this application and any requirements we can meet to enable this structure to remain in position in order for my father to retain his limited independence.

[REDACTED]

Kind Regards

[REDACTED]
