Description of works

Permission is requested to remove TPO 1357 from Oak tree T4 and fell tree.
(HBC plan attached)

1. Oak tree is disproportionately large and causes excessive shading (100% natural light block) to 11 Hartwood Gardens. - See attached printed photo's
2. Tree also causes continual gutter blocking issues to 10, 11 & 12 Hartwood Gardens.
3. Tree overhangs 10 Hartwood Gardens driveway and cause issues with tree sap and bird droppings on neighbour's cars. - See attached photo.

Tree has been crowned several times and tree surgeon advises that tree is getting denser post every crowning which is exacerbating the full shading.

Tree is in the centre of a private dead end of three houses and offers no amenity value.

If deemed necessary tree could be replaced with a more appropriate tree species for size and location - suitable/appropriate replacement to be advised by arborist.
