Dear Matthew,

2709 HELMSLEY HOUSE, BARTONS ROAD, HAVANT – PROPOSED DRAINAGE SCHEME

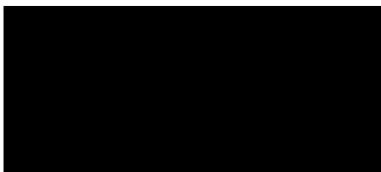

Thank you for sending through the updated Hunters site layout, reference "M9437_APL003_N_Proposed Site Plan_Helmsley Care".

The changes to the site layout have only impacted minor tweaks to the location of tactile paving and minor adjustments to the ramps within the site. The extent of hard surfacing and the building have remained the same and as such the drainage principles set and agreed with the LLFA have not changed.

As such there is no requirement to update our current drainage drawings, listed below:

- 2709-HELM-ICS-01-XX-DR-C-0200-P06-S2 - Proposed Drainage
- 2709-HELM-ICS-01-XX-DR-C-0201-P03-S2 - Proposed Drainage Areas

Yours sincerely
