Dear Mr Oliver

Application number 16/01243

I very much object to the application submitted regarding the land East of Hollybank Cottage:

DEVELOPMENT – this land was not previously developed land.

FLOODING – there is inadequate drainage geologically in the area.

SAFETY – the Lane is used by children, horse riders, walkers and any additional traffic will create a danger.

VISUAL INTRUSION – cast by the existing high powered security lamps at night .

Yours sincerely – Georgina Cooper
