Dear Mrs Chisnall,

PLANNING APPLICATION APP/16/00993
Fair Acre, Church Lane, Hayling Island, PO11 0SB

This application directly affects Church Cottage by loss of privacy.

In discussion with Fair Acre this has now been mitigated by an adjustment to the plan acknowledged in HBC Planning Services letter APP/16/00993 of 18 October 2016.

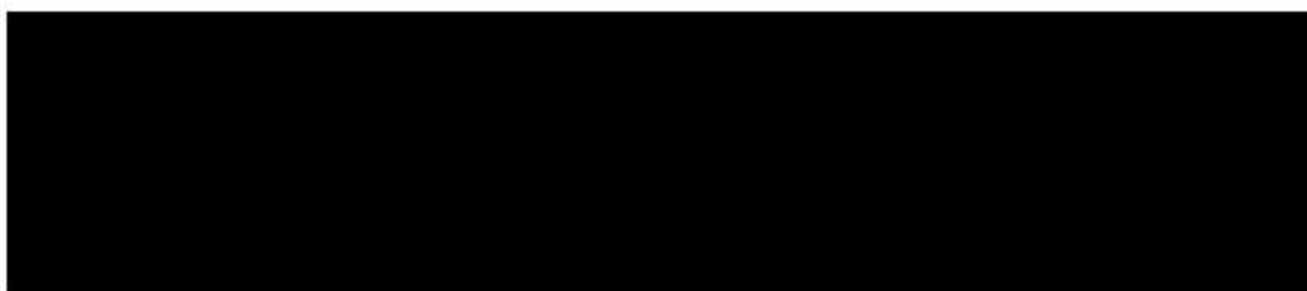

The revised plan agreed by both parties, now on your website, shows an additional window of clear glass in the north elevation of the raised roof and a non opening window with frosted glass in the west elevation.

We therefore support this application assuming that should permission be granted it is with the conditions that:

1. The window in the west elevation facing Church Cottage will be non-opening.
2. The glass of this west elevation window will be frosted.

Thank you for your help with this proposed enlargement of roof space incorporating raising of the roof on the south side of Fair Acre.

Yours sincerely,

Martin H Rhodes
