Hi Ikrame,

Thank you for the update. With regards to the window on the west side, a small section of the existing enclosed lean to is to be removed to facilitate this window. The proposal is to retain the existing external wall of the lean to at a height of 1.75m along the boundary that will provide privacy to the neighbour from this window.

We trust this clarifies this issue and we confirm that our Client is happy to extend the application period until 19th April 2024.

Kind regards

Paul
