Dear Sir,

In reply to your letter dated 8 September I am again recommending that the proposal to have your hill food store on Manor Road will hopefully be given the go-ahead by the Council. (I have already written regarding this matter some weeks ago)

Another Food Store would be really beneficial to us living on Hayling apart from the fact Hill is well known for reasonable prices for food, it will provide good competition for our three present stores which are much dearer anyway. For me with no car to get off the island it will be great!

Yours,

Unfortunately I do not own a Computer.
