Dear MR Oliver,

Re: Proposal till food store  
Manor Rd. Hayling -SS.  
Application No APP/17/00656

We are more than happy to endorse  
the above proposal. It would cut  
the traffic going off the Island  
and the proposal site is ideal,  
it can be reached from 3 roads  
and is centrally placed in the  
middle of the Island.
