Dear Madam

RE: GREY HAVENS 9 WESTERN PARADE EMSWORTH PO10 7HS

We understand that Chichester Harbour Conservancy have requested dark grey cladding in lieu of light grey at the above.

This is totally alien to the whole environment of Western Parade and the adjoining side streets.

The light grey cladding and soft white render is aesthetically pleasing and in keeping with the light open aspect of this area of Emsworth.

We have enough darkness and gloom in the long Winter months without having to look at a dark grey building as well.

Yours faithfully
