Dear Mr Jordan

**APP/23/00218 - 38 Summerhill Road, Waterlooville, PO8 8XE**

I write to you in respect of the above application and if you are willing to consider amending the specification to the works applied for to the following:

**Original description of works (APP/23/00218):**

- T1 - Common Oak - Reduce height by 3m, width by 2.5m overhanging No36. leaving a height of 11m & width of 5m.
- T2 - Common Oak - Reduce height by 3m, width on east side by 2m, west side by 1m(as indicated) - leaving a height of 12m and a width of 5m.
- T3 - Common Oak - Reduce lateral branch over No36 by 5m - reduce remaining width on north side by 2.5m - reduce height by 3m - leaving a height of 7m and width of 5m.

**Proposed amended description of works (APP/23/00218):**

- T1 - Common Oak - Reduce width by 2.5m overhanging No36. leaving a width of 5m.
- T2 - Common Oak - Reduce width on east side by 2m, west side by 1m(as indicated) - leaving a width of 5m.
- T3 - Common Oak - Reduce lateral branch over No36 by 5m - reduce remaining width on north side by 2.5m - leaving a width of 5m.

The reason for the proposed amended description is to allow appropriate pruning works, but the original description would have an unacceptable impact on the amenity value of the trees.

I look forward to hearing from you.

Yours Sincerely

Mr Kevin Peters  
Arboricultural Technical Officer
