PROBLEM :- Huge overhanging pine tree, which is a danger to any persons who may venture into the rear garden of No. 1 Warren Close, Hayling Island.

The constant & serious danger of very large & heavy pine cones falling, has rendered our rear garden into a "NO GO" area. Also, the actual tree looks very dangerous to life and our property in high winds.

Yours sincerely,

HOUSE OWNER,
1 WARREN CLOSE,
HAYLING ISLAND,
PO11 0HP.
