We would like to dispute the building of the proposed house at Eastview.

My husband and I have lived in Manor Road cul-de-sac for many years and our concern is the amount of cars and traffic which now park down the cul-de-sac and the main road. If another house is allowed to be built it would mean even more traffic and congestion and pollution.

often we use public transport to access the local and wider community.

The bus route is opposite the cul-de-sac on the main Manor Road and trying to cross the road is hazardous with all the traffic. I have seen the plan for the house and it looks nice, just not in a back garden where all the houses are like Eastview over 100 years old.

Thank You

Mr and Mrs Whiting
