Dear Mrs Pickup

APP/23/00630 – Brookfield Hotel, 93-95 Havant Road, Emsworth, PO10 7LF

My main concern is the Proposed Glazed Infill Extension to the rear with sliding folding doors. I am concerned about the use of this. [REDACTED] me and my neighbours already have to put up with considerable loud noise from weekend evening discos and parties at the hotel. If this extension is going to be used as a party area it will bring the source of the noise even closer [REDACTED] particularly if the doors are open.

Planning Conditions

There have been problems with bonfires at the back of the Brookfield. [REDACTED]

[REDACTED] If the planning application is granted please can I ask that there is a strict condition that no waste of any type is burned on site.

Yours sincerely
