Re: Proposed Lidl Food Store Manor Road Hayling Island

Application Number APP/17/00656

Dear Mr Oliver,

I am writing this letter to register my support for the proposed Lidl Food Store on Hayling Island.

I am in support of the application for the following reasons.

It will improve the choice of food shopping on Hayling Island which is currently very limited and will help promote competitive pricing.

It will reduce the need to travel off the Island which in turn will reduce congestion and carbon emissions on the only road available to travel on and off the Island.

The creation of new jobs on the Island which is desperately needed, especially for our young people.

It will be easily accessible to residents on the Island including accessibility on foot.

Lidl Promotes British produce.

Having lived on Hayling Island for the past 37 years I have no hesitation in supporting this application. This is what the Island needs.

Yours sincerely
