Dear Ms Price

I wish to express my concerns about the proposed development to 27 Alten Road, Waterlooville.

I do not have access to the internet and had to ask a friend to show me the proposed plans. I was surprised at the sheer size of the development and found the details of the proposed extension in your letter to be misleading stating a 'single storey side extension'. In my view, it is clearly a double storey extension.

[REDACTED]
[REDACTED] It would be an over development of a small site and with the [REDACTED]
[REDACTED], a side extension with a full second storey will be massively overbearing, and will therefore considerably impact the daylight [REDACTED]
[REDACTED]

I have lived in this delightful estate of bungalows for [REDACTED] and have enjoyed how light and sunny [REDACTED]
[REDACTED]

An extension of this size and proportion will have a considerable negative [REDACTED]
[REDACTED]
[REDACTED]

Due consideration should be given to the long-enjoyed privacy of the surrounding properties.

From experience, the rain drains down from the high point of Silverdale Drive and pools at the corner of Alten Road, and the front/side garden at No.27 Alten Road fills with water after heavy rain, often inches under water. Not knowing the full building details of the planned extension, I would hope that the footings would be constructed with this in mind.

I would like invite an Inspector to visit my property [REDACTED]
[REDACTED]
[REDACTED]

Best regards
[REDACTED]
