Dear Sir/Madam

I wish to object to the Application on the following grounds:

The height of the proposed building, according to document APP_16_00813 - PROPOSED_ELEVATIONS_SHEET 1 - 979734, will be about 15 metres. This, I believe, would considerably exceed the height of the building which previously occupied the site and would therefore constitute a reduction of daylight, a depreciation of the outlook and a degradation in appearance when viewed from my property. These factors could significantly affect the value of my property.

I have further reservations about the types of business which may occupy the building, with regard to noise, fumes, hours of working and other possible disturbance, as I have no information about them at this stage.

Yours Faithfully

Joyce Sawyer, owner and occupier of 173 Nutwick Road
