Dear Sir or Madam,

Re: planning proposal
35 Charlesworth Drive APP/21/00179

I don't think this building is in
keeping with others in the area.
it much bigger than anything else
& over looks most people's property
around it including my house.

The traffic is a problem in the area.
we struggled to get red lines @
the end of Windsor but go yellow you
still cannot see well enough to pull
out & the same will happen @ 35.

Ambulances large lorries delivering
food etc have problems each day &
parking on the grass makes the place
look like a slum. in fact I am thinking
of moving away myself.
