Subject: Ref: APP/18/00835. Roundhouse Court , 2 St Andrews Road , Hayling Island. Application to remove timber pergolas in car park

Date: 2 Oct 2018 at 09:18:07

To: planning.development@havent.gov.uk

for the attention of Ms R Ballam:

I am a resident of Roundhouse Court (no 7) and a director of the Roundhouse Court management company, I just wanted to give my support to the above application for the following reasons:

- 1) The majority of residents at Roundhouse are retired and on fixed income and with our managing agents Beals we are try our best to control the service charge to the residents and removing the now very rotten timber pergolas will give us an ongoing cost saving for the future.
- 2) The spacing of the pergolas posts are fairly tight and many visitors and residents have caused damage to their vehicles by grazing the support posts.
- 3) I have spoken to a around 50 % of the residents who in general do not want to spend funds on further maintenance of the pergolas and would prefer them to be removed and the parking spaces marking made good.

Should you wish to discuss any further my Mobile no is : [REDACTED]

Thank you [REDACTED]
