

Havant Borough Council planning reference APP/19/00075

The Green Cottage, 23 Langstone High Street, PO9 1RY

Response to objection dated 12th March 2019.

Comments raised:

1. *'...concerning that roof and the lintels, thinking they were not man enough for the job'.*

The proposed works will be subject to the Building Regulations legislation regarding construction including Structure Approved Document A.

2. *'I thought the whole idea was that they maintain the uniqueness of an area which is beautiful'.* Agreed, the location is beautiful, the application seeks to conserve the core historic element of the property and remodel the poorly designed elements which will be beneficial to the historic character of the building and location.

3. *'Surely there are enough houses being built around here to be able to preserve the areas of Outstanding Natural Beauty, for once they are gone they are gone forever'.* The works relate to an existing dwelling not a new property.

With respect, the scheme is worthy of support.
