Dear Sir

APP/21/00537 – 1 Ferndale PO7 7NZ

I wish to object to the proposed extension to this property due to the traffic hazard it will cause.

The entrance to Ferndale from Hulbert Road is a very busy junction and to be met by extra vehicles entering and leaving this property will cause accidents. The site is right on the junction when turning into Ferndale.

I think this will be over development of the site which has already happened with the previous extension, bins are left on the public pathway for days, following collections. There will be even more bins.

The new residents in No [REDACTED] leaving cars parked on the road and this is proving dangerous as there is a bend when coming down Ferndale.

Ferndale is a residential road of houses and bungalows and should remain so.

Yours faithfully
