

THE OCCUPIER.

342 MIDDLE PARK WAY
HAVANT PO9 5DS

1ST MARCH 2017.

YOUR REF: - APP/16/01160

Dear Sir/Madam,

With reference to the planning application for 342 MIDDLE PARK WAY I would like to take this opportunity to make representation.

The planned extension would overlook the entire garden area of my property consequently depriving us of any privacy especially in the summer months.

It has also come to my attention that the reason for these planned extensions is to provide student accommodation, potentially creating an anti social behaviour issue. I trust you will take into consideration this representation.

Thanking you in anticipation.

Yours sincerely

MR. K. DOYLE
