Dear Sir/Madam

Site Location: 260 London Road, Waterlooville, PO7 7HG

Re: Variation of Conditions 2, 4, 5, 7 and 8 of Planning Permission APP/18/00059 in relation to inclusion of additional information within list of approved plans (Condition 2), extension of delivery vehicle operating hours (Condition 7) and amend Conditions 4 (noise mitigation), 5 (odour) and 8 (bin storage) to compliance conditions.

In acknowledging receipt of the above application I informed you that the target date for determination of the application was 07 August 2019.

I am writing to advise you that for the following reason the Council is unable to determine your application by that date and I am writing to request agreement to the period of determination being extended under Article 34 of the Town and Country Planning (Development Management Procedure) (England) Order 2015.

Reason:

To enable the Agent to speak to their client regarding Condition 7 and to respond to the Local Planning Authority accordingly. Following which, there may be a need to re-consult Environmental Health on the suggested variation to Condition 7.

To extend the period please return, signed and dated, the slip below or alternatively please confirm by email within the next 5 working days. If you wish to discuss this request further, please contact me.

Yours sincerely

Ms L Wells
Shared Planning Compliance Manager
