Dear Sir,

Re: Planning Application APP/16700312.

I wish to register my objection to the proposed planning application at No.9 Nightingale Park, Warblington, Hants.

Mr.Chris Murray's letter fo 20th May, 2014 clearly states that the building shall not be converted to living accomodation.

You must know Mr.Vines background and you must have been suspicious when Dormer windows were installed in the premises. These windows will look out on the entire road so I strongly urge you to throw out this application.

Yours faithfully,
