Notification for Prior Approval for a Proposed Larger Home Extension
Town and Country Planning (General Permitted Development) Order 2015
Schedule 2, Part 1, Class A

This notification can be used by a household to notify a local planning authority of the intention to use the [permitted development rights](#) to build a single-storey rear extension of greater than four metres up to eight metres for a detached house and greater than three metres up to six metres for any other type of house outside Article 2(3) land* and sites of special scientific interest.

* Land within a National Park, the Broads, an area of outstanding natural beauty, an area designated as a conservation area and land within World Heritage Sites.

Publication of notifications on planning authority websites

Please note that the information provided on this notification and in supporting documents may be published on the Authority's website. If you require any further clarification, please contact the Authority's planning department.

Please note: you need to download the form to complete it electronically. Please complete using block capitals and black ink if sending by post. It is important that you read the accompanying guidance notes as incorrect completion will delay the consideration of your notification.

4. Description of the Proposal

Please describe the proposed single-storey rear extension.

The property is a detached bungalow. The proposed extension will be single story flat roofed, with roof lantern. Built to the rear of the existing original un-extended property. It is proposed that the original building will be extended by 6.5 mtrs from the rear of the existing building. The roof of the existing garage will be modified to be in line with the new extension. The width will be almost the same as the original building. The extension will be an increase to the lounge, dining room and kitchen. There will be no new windows overlooking the neighbouring properties, but a new patio door will overlook the rear garden. As virtually none of the new elevations are seen from the road/front elevation it would be preferred if the construction could be block and K Rend.
