F. REASON FOR THE APPEAL

The reason for the appeal is that the LPA has:

1. Refused planning permission for the development. ☐
2. Refused permission to vary or remove a condition(s). ☐
3. Refused prior approval of permitted development rights. ☐
4. Granted planning permission for the development subject to conditions to which you object. ☐
5. Refused approval of the matters reserved under an outline planning permission. ☐
6. Granted approval of the matters reserved under an outline planning permission subject to conditions to which you object. ☐
7. Refused to approve any matter required by a condition on a previous planning permission (other than those specified above). ☐
8. Failed to give notice of its decision within the appropriate period (usually 8 weeks) on an application for permission or approval. ☒
9. Failed to give notice of its decision within the appropriate period because of a dispute over provision of local list documentation. ☐

G. CHOICE OF PROCEDURE

There are three different procedures that the appeal could follow. Please select one.

1. Written Representations

2. Hearing

You must give detailed reasons below or in a separate document why you think a hearing is necessary. The reasons are set out in

☒ the box below

The proposed development is of substantial size, with a lengthy background, and involves a diverse range of topics. We anticipate it would be difficult to satisfactorily explore these under the Written Representations procedure, but a Hearing would provide an appropriate forum for the Inspector to do so with the help of the Council and the appellant. There is also a substantial degree of public interest, and the Written Representations procedure would not provide an adequate opportunity for representations to be heard, particularly as this is a non-determination appeal, with the committee having been cancelled due to COVID-19.

It is not appropriate to hold a Public Inquiry as there is a substantial degree of common ground between the appellant and Havant Borough Council (HBC), culminating in the officers' positive recommendation. The appellant has worked closely with HBC throughout the application (over 3 years), and there are few areas of disagreement, meaning that an Inquiry would be unnecessary and a waste of resources.

(a) Is there any further information relevant to the hearing which you need to tell us about?

At any hearing, the appellant may seek to bring the support of specialist consultants on technical issues around the application, although this will depend on the Council's position and the ultimate content of the Statement of Common Ground.

3. Inquiry
