

Havant Borough Council
Planning Applications
Civic Road
The Plaza,
Havant, Hants.

25th July 2019

Dear Sirs.

Re: Planning Application APP/18/00724
Barrett Homes 80 Sinch Lane.

We objected to the above application when it was submitted 12 months ago, and would continue our objections to this development. Hayling does not need this number of new homes there a large selection of properties for sale or rent in the area at the present time. The roads, sewage and general facilities are at full capacity.

We are also concerned about the very close proximity of a new property to our boundary and the loss of any privacy we at present enjoy in our garden and conservatory.

We are totally opposed to such a huge development on Hayling and the impact it would have on the area.
