Re: 12 Morelands Road. PO7 5PT. Retention of log cabin. Planning Ref: APP/18/01240

Dear Sir/ Madam,

Further to receiving notification of the above application proposal and sight of the drawings & relevant supporting information on line, I wish to make the following comments:

Providing the already installed log cabin is not increased from the present height and provided any part of the log cabin N end (nearest to my house) is not less than 2.0 metres away from the original boundary fence line position (which is south of the present fence) - then I have no objections.

Yours faithfully
