

Dear Sir/Madam,

I am writing to express my support for planning application APP/24/00413. [REDACTED]

[REDACTED] I believe the proposed installation of a new wooden fence, positioned 1 meter from the current location by the footpath, will be a positive addition to our neighbourhood.

The existing hedge is frequently used as a dumping ground for rubbish and dog waste bags, leading to an unsightly and unhygienic environment. The installation of the fence will help mitigate these issues, promoting a cleaner and more orderly appearance.

Additionally, the hedge is not consistently maintained and often becomes overgrown, along with the adjacent tree. The proposed fence will provide a tidier and more consistent boundary, enhancing the overall aesthetic of the area and keeping in line with the neighbourhood's character.

I strongly support this application and believe it will contribute to the betterment of our community.
