F.A.O Katie Black

Dear Katie,

Here is the additional information you requested to support my planning application.

The trees in question are Sycamore, they have grown together and are covered by the same TPO - 1365

I would like to reduce the height from 12 metres by 2.5 metres, leaving a finished height of 9.5 metres.

I would like to reduce the width from 9 metres by 2 metres, leaving a finished width of 7 metres.

These works are intended to retain the tree as a feature without it becoming overbearing.

If you require any further information do not hesitate to contact me.

Yours sincerely

Jan Cook
