

Your ref. APP/22/00591.

Dear Mr. Speller.

I have already sent in my objection to this over-development of No 5 Sea View Terrace. Our objections have been overruled, and it in my opinion, will do nothing to enhance the aesthetic atmosphere of Emsworth.

Will the house in the next door then to go into alterations? The quaintness of Emsworth in the past and the present, will only encourage more outsiders to buy up properties to develop.

The Winkle House has already been over developed, and the voices of the objectors seem to always be ignored.

I feel this development will have a very negative effect on the area.

You obviously have a copy of my earlier objection.

Yours Sincerely,
