Dear Sirs,

Proposal: Replacement of front and rear communal entrance doors.
Site: 1 - 35 Springwood Avenue, Waterloooville, PO7 8DY.
APP/19/00139

Thank you for your letter of 13/02/2019.

Southern Water has no objections to the above proposal.

Due to changes in legislation that came in to force on 1st October 2011 regarding the future ownership of sewers it is possible that a sewer now deemed to be public could be crossing the above property. Therefore, should any sewer be found during construction works, an investigation of the sewer will be required to ascertain its condition, the number of properties served, and potential means of access before any further works commence on site. The applicant is advised to discuss the matter further with Southern Water, Sparrowgrove House, Sparrowgrove, Otterbourne, Hampshire SO21 2SW (Tel: 0330 303 0119) or www.southernwater.co.uk.

The proposed development would lie within a Source Protection Zone around one of water supply sources as defined under the Environment Agency's Groundwater Protection Policy. Consultations with the Environment Agency to ensure the protection of the public water supply source.

Yours sincerely
