

Application APP/18/0098

Dear Sir or Madam,

I would like to put on record that I and my husband would like to object to the changes on the property at 39 Belmont Grove, PO9 3PT from a six bed to seven bed (HMO)

This property was built for family occupation. The road is not able to accommodate more parked cars especially large vehicles like vans. The residents of this road feel that our children and grandchildren will be a lot less safe with the extra vehicles that this development will bring. Seven rooms equal seven people and also their visiting friends and family.

We also feel that this change will set a precedent with a possible 'domino effect' as others decide to put their properties on the market..

Mr Peter Messer and Mrs Betty Messer
24 Belmont Grove,
Bedhampton,
PO9 3PU.
