

25. SEPTEMBER 2022.

Ref. APP/22/00761

Dear Mr Ford.

I am writing

regarding the Planning proposal for 34 Deverell Place.

Please can you ensure NO extensions ~~to~~ are permitted.

We have recently installed Solar Panels on the roof at the front of our property. Any front Dormer extension would block out Sunlight, reducing our Solar energy, which is obviously a huge disadvantage to us. At the rear of the property any extension would over look our Glass roofed living area, and the whole of our garden, giving us no Privacy. The reason we wanted to live in a bungalow is so we would not be overlooked.

We hope to hear from you soon and that
you are able to help with this matter

E. MAIL

Many Thanks
Yours Sincerely
