To Whom it may concern

Land opposite Copewood House and next to Oakley, Cope Lane, Hayling Island, Hampshire. PO11 0RJ

We confirm we are in support of Mrs. Zita Good's intention to replace the current dilapidated static with a new static to be approximately sited near the vicinity of the current static and near to the adjoining field.

Mr. Raymond Gadd has lived at Copewood House, PO11 0QD since May 1995.
Mrs. Jill Gadd has lived at Copewood House since December 2001.

At that time of Mr. Raymond Gadd moving into Copewood House and since there has been a static on the site, in addition there is a single size garage building sited approximately in the middle of the site.

In the summer of 2020 the owner of the site showed Jill Gadd the garage building area which appeared to have electrical and water services running to it.

There was a pair of rusted old iron gates, which have since been replaced with new wooden gates.

Yours sincerely,

Mr. Raymond Gadd

Mrs. Jill Gadd
