Commenter Type: Complainant

Stance: Customer objects to the Planning Application

Comment Reasons:

Comment: Good morning. Having reviewed the recent revisions. I really cant understand how this will have any effect at all to the property. All my previous objections still stand. Having obscured windows will not change the fact that it is still overlooking and cramping the property. Also it looks like it is effecting the boundary lines.

We had Emma come and post her card through the door so she never saw what limited lighting we have already. If she would of came in she would of obviously see that we are on the verge of 45 degree rule of light for room by the garage Many thanks
