Re. APP/19/00427- Land South of Lower Road, Havant – Discharge of Condition 16

Addendum statement - Plots 1,47,48,49 & 50

To whom it may concern,

Following consultation response received from Environmental health (dated 22.03.22), I enclose this addendum statement for proposal of partial discharge of plots 1,47,48,49 & 50 of condition 16.

Bargate can confirm the above plots are complete to general groundworks stage with no contamination discoveries found. I can confirm site-won topsoil will be installed to these gardens prior to occupation, no imported topsoil will be used.

Please refer to site plan attached for locations of the above plots.

Yours faithfully,

Heather Davis
