

HAYLING ISLAND SAILING CLUB

22/11/2019

The Planning Team,
Havant Borough Council,
Ref. APP/17/01013

Dear Team,

May I first thank you for the help and advice Jackie Clarke has given me in getting through this difficult procedure of renewing Hayling Island Sailing Club Licence that expires on the 20th February 2020.

The Club is now the principal Dinghy Racing and Youth Training centre in the world and runs Olympic events and world, National and European Championships, competitors come to more than 30 Countries.

These activities add huge income to the local economy and parking of Cars and Trailers is a major item.

I am applying on behalf of the Club to renew our licence on a permanent basis

I have enclosed a layout of the Overspill Car Park annotated A ,aerial view of the site annotated B, outline survey map, annotated C , photograph of the surface of the overspill car park.

If you require any more photographs I can arrange these or if you would like to meet on site I can arrange this .

With kind regards,

Senior Trustee Hayling Island Sailing Club
