London Road.

Dear Sir

RECEIVED

Regarding planning permission for a cattery at 203. I have several ideas that might need to be looked at. They are the following :-

- ① Residential Area.
- ② Main Road from Waterlooville to Havant.
- ③ Yellow lines both sides of the road with Nerves.
- ④ Speed limit 30mph but often used faster.
- ⑤ Residents using their drives emerging to Road.
- ⑥ 2 new building across within 100 metres either side.
- ⑦ Noise at (possibly) night

- ⑧ In Sufficient Area for parking  
of clients.  
⑨ Bus Route

These are just a few that I  
can of off moment.

Yours Sincerely
