Comment Reasons:

Comment: There are already many, many takeaways in the Havant area, that this one seems very unnecessary.

The speed of the traffic down the road is already dangerous. With lots of families with young children up and down, we need to try to make this road safer. This will only increase the heavy flow of traffic, and sadly may lead to an accident one day. We need to ensure that we put the safety of the public first.

[REDACTED] We already have lots of drunk people up and down the road which is bad enough.

Also, the litter. There is always a huge amount of litter in the road. It's unsightly and sad. In a road which is really developing as a beautiful residential area, I really feel this will be a negative addition.
