HAVANT BOROUGH
COUNCIL

17 APR 2020

RECEIVED

Planning Services,

I am writing to object
to the proposed extension of
33 Crystal Way REF APP/20/00127

My concerns are as stated in
my previous letters.

Overshadowing and loss of light
due to the size and height of
the proposed extension especially as
this application is bigger in size
than previous applications. This being
my main concern and also not
in keeping with the existing block

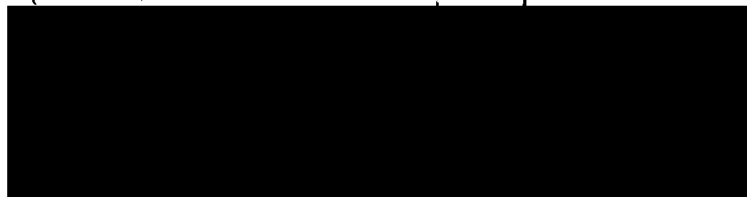

of four terrace houses.

This overshadowing and loss of light does not only effect my garden but also my living space especially my kitchen.

As my property is only 13ft. (4 metres) wide and the rear faces west it explains the devastating loss of light and sunlight I will experience.

I hope you will take my concerns and those of my two previous letters into consideration when making your decision

Yours Sincerely

A large black rectangular box redacting the signature of the sender.
