Re - The planning to build the Lidl's
Store on the roundabout on the corner of
Manor Road.

This to me, is certainly not the
ideal place.

It is a busy corner, especially
when the mums are dropping their
children off for school, or picking
them up.

If it must be built, could not a
location be found which will not
cause an increased build up of traffic
(i.e. further inland.)

There are so many of these stores in
the borough. Why do we need another?

I hope these views will be taken
into consideration.

Sincerely
