For the attention of Mrs T. Pickup, Planning/Development Dept.

Dear Mrs Pickup

With reference to the following application APP/16/00746

Site address 13 Seagrove Avenue, Hayling Island

We the undersigned object to the proposal for the following reasons

1. The area in Webb Lane is predominantly bungalows, and as such enjoy a certain amount of privacy by not being overlooked by windows in adjoining properties.
2. We purchased our bungalow for the very reason that it was not overlooked at the rear, giving us the privacy, not only in our garden, but also in the bedrooms which are situated at the rear of our property.
3. The obtrusive window is the gable end window on the east elevation. Drg. 1640-501B refers
4. This window will be within 10 metre of our boundary.

We look forward to hearing from you in due course.

Yours sincerely

D.Eeles
