Dear Sir,

I am writing to advise you that I wholeheartedly support the planning application number APP/17/00656 from LIDL to build one of their stores at Manor Road, Hayling Island.

I feel that Hayling Island needs more competition in their retail market and a chance to take advantage of potentially lower prices.

I understand the objections raised with regard to the traffic problems on Hayling Island, but I really do not think this new store would make a great deal of difference to the volumes of traffic, as I believe most people using the new store will already be living on Hayling Island.

Please allow this planning application to be passed as soon as possible.
