RECEIVED

Dear Miss Donophy,

With regard to the above Planning Application.

We strongly do not agree with transforming a Bungalow into a House.

This Proposal would over look our property, taking away our privacy.

Also would there be sufficient off road parking to accommodate a Five Bedroom House.

Mr Figgins many years ago wanted to build houses, but this was refused, as being Bungalows only.

So if you agreed to this application, you would be going against the Will of your forefathers.

We are asking for a refusal to the above application - as a property owner in Chestnut Avenue.

A very concerned neighbour.

Yours faithfully,
