Dear Sir,

Ref: **APP/21/001156** 77 Havant Road

I want to record my objection to this planning application for the following reasons:

1. The proposed 3 metre extension and the additional 3 metre canopy means that this property will now be much closer to my house and will lead to an increase in the noise experienced in my conservatory and garden
2. The current plans are an over-development of the site
3. The colour of the new cladding and render needs to be specified and to be in keeping with the surrounding area
4. The new flat roof on the rear and side of the property must not be used for a balcony or terrace as this would overlook my garden
5. The hours of building work need to be limited to 0800 to 1700 Monday to Friday with no evening or weekend work allowed.

Yours faithfully
