Dear Sir/Madam,

Ref: APP/18/00407

I live in the cul-de-sac off Manor Road and I would like to object to the proposed plans for a second 4 bed house to be built in the garden of "Eastview", Manor Road, Hayling Island.

This is already a very busy stretch of road for cars to turn out onto and will be even busier, with more traffic when the new Lidl store opens soon in Manor Road.

We already suffer from an overflow of cars and vans parking in our small cul-de-sac whilst visiting the houses along the main road, another house with more cars would just add to the problem, more cars, more traffic, more pollution.

Yours faithfully

Susan Swan
